The Library provides free borrowing privileges to people living within the city limits, along with on-site and most on-line services to visitors.

The library holds over 22,000 items including books, magazines, dvds and audio books. These are available for check-out.

## Our Mission

The Junction City Public Library will provide high demand materials for all ages, covering a wide spectrum of interests, as well as practical reference materials to meet individual information needs.

Recognizing that developing one's knowledge base contributes to life-long learning, thus improving the quality of life, the library will provide resources to enrich this educational experience.

The trained library staff will help link people with ideas by making print and electronic tools easily accessible and by offering assistance when needed.

## Links

Various institutions within our county have developed important on-line links, e.g. health, employment and education, for Junction City users, be sure to spend some time on the library website. [www.junction-city.plinkit.org](http://www.junction-city.plinkit.org)

## County Cooperative

Lane County has five municipal libraries, including ours and three library districts. We have a reciprocal book borrowing system, using the inter-library loan procedure. As yet, library cards are only recognized in the library of origin.

## Amo Leer Collection

Junction City Public Library house a collection of 800+ Spanish language books for children. An adult Spanish book collection is currently developing.

## Out of Town Cards

Since there are plenty of people who need to use a library and who do not live in town, it is possible to get an out of town library card. The library charges \$50 for a household for one year, or \$40 for households with a member age 60 or better.

The fee was calculated based on what a typical household would pay in property taxes per year. For those who cannot afford the fee, the Friends of the Junction City Public Library may be able to help.
